FRATERNAL YEAR 2022-2023 CHARTERED IN OCTOBER 1953 Feb 2023

Grand Knight's Corner

This month I would like to talk a little bit about Praying for Patience and Prayers of Thanksgiving. You may not know that I am not the most patient person. Sure, when it comes to long lines at the grocery store or traffic jams, I have the patience of Job. I guess that is because I am retired and typically not in any hurry to get somewhere. (My apologies to all you working folks who run by the store on your way home from work. I truly try to stay out of your way!) However, when it comes to tasks I need to do or tasks others need to do that affect me, I can get very anxious. On more than one occasion I have sent apology emails to K of C State Officers for my constant pestering for information and things I need for our Council. I try to remember that God's time and God's way is not our time or our way. It helps me to compare our time on earth vs eternity. If I am ever blessed to be able to get to heaven, I am sure I will look back on my life and shake my head at all the times I worried about things that really didn't matter in the long run. If you find yourself in my situation, just do as I do. Look up to the sky, smile and say, "OK God, whenever you are ready!!" Maybe you will even give our Savior a chuckle!

Recently I have been praying a lot for patience. Our Air Force son-in-law has been waiting for his orders for his next assignment. As days moved to weeks, to months, I prayed daily for the patience to be on God's time. I really didn't pray much for them to be relocated where I wanted them as I know God has always taken care of them wherever they land. When my son-in-law finished basic and married our daughter he received his first assignment at Ramstein, Germany. Over the last 17 years they have seen the world. Finally, the orders are in and they will be moving to Dayton, Ohio! So, for the first time ever, our kids and grandkids will all be close together with us. Which brings me to prayers of Thanksgiving.

You can bet we are doing that a lot right now. I remember when I was younger and prayed for the things I thought I needed. I never spent much time thanking God for all he did for me. As I have gotten older, I tend to do more prayers of thanksgiving. Maybe it has something to do with getting closer to my day of reckoning but I find that I thank God for even the small stuff like a closer parking space when it is raining. Whatever you are going through, please remember to thank God constantly that you are still able to give thanks.

Grand Knight's Column (cont)

This month I have even more to be thankful for. We have finished compiling the surveys you turned in and I am proud to report the results. Our membership consists of 243 members scattered around the world. This great group of men gave 465 hours of visiting the sick and bereaved and donated 60 pints of blood, giving the gift of life. Between Faith, Life, Community and Family activities our busy Knights donated over 5000 hours of their time and in excess of \$20,000 in the service of others. I know for a fact that Brother Knights have done much more that wasn't reported. Isn't that amazing? Most of us in the trenches and those who quietly go about helping others never sit back and look at the big picture. As an organization, you are the best of the best. I thank God every day for all of you. After 7 months as being your Grand Knight, I am still in awe. Speaking of thanking God, I thank him so much for our Knight of the Month, Brother Rob Hernandez and our Family of the Month, Brother Paul and Pat Pitstick.

May God Bless. Vivat Jesus. Grant

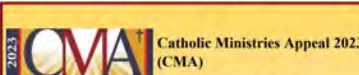

February 2023

The flower for February is the Violet and the beautiful Amethyst is the gemstone. February is the only month to have a length of fewer than 30 days! Though it's usually 28 days, February is 29 days long in leap years, next one in 2024! February is named after an ancient Roman festival of purification called Februa. The month of February is dedicated to the Holy Family of Jesus, Mary, and Joseph as the model of virtue of all Christian households

Beloved in Christ, Today, we are reminded to be thankful and at the same time to be of service in charity. For the first time in 50 years, abortion on demand is not the “law of the land,” thanks be to God. Last summer, the Dobbs Supreme Court case struck down a flawed Roe v. Wade from 1973, which made it legal to kill unborn humans in our country. Because of this continuing scourge, Holy Mother Church even put in place a liturgical observance on this date every year known as the “Day of Prayer for the Legal Protection of Unborn Children.” Moreover, the Memorial of St. Vincent the Deacon was permanently transferred to January 23rd in the United States, so we could participate in this important observation. And when January 22nd falls on a Sunday, like today, the day of observance is transferred to Monday the 23rd, which is the case today and tomorrow. So, what do we do? The Church offers this guidance: All dioceses of the United States shall observe a day of prayer for the full restoration of the legal guarantee of the right to life and of penance for violations to the dignity of the human person committed through acts of abortion.” I invite you to join me and people across our land in prayer and penance in any form. We can get creative. Perhaps prayer could be making a visit to the Blessed Sacrament or praying at a facility where abortions continue to happen. Perhaps penance could be abstaining from meat or serving at a crisis pregnancy center. If you participate in Mass on Monday, it will either be “For Giving Thanks to God for the Gift of Human Life” or “For the Preservation of Peace and Justice.” Of course, conversion of hearts is the goal. How do we make abortion unthinkable, like slavery now is? The Church uses the word “legal.” This means that we Christians are to be engaged in the public square where things are made legal and illegal. Since Dobbs has returned laws on abortions to the states, fierce legislative and judicial battles continue at federal, state, and local levels. It is also very important for us to promote and support the Church’s healing ministries for those who suffer from the effects of past abortions. May our sisters in Christ find the healing they desire. May our brothers who suffer lost fatherhood also be healed. We find ourselves in the midst of the Week of Prayer for Christian Unity, which the Universal Church observes from last Wednesday to next Wednesday. At the Last Supper, Jesus prayed that we may all be one as He and the Father are One. Thank you in advance for your generosity toward the Catholic Ministries Appeal, which funds six vital ministries right here in the Archdiocese. Finally, be sure to complete the survey for the Disciple Maker Index. More information is in this bulletin. Thanks for your prayers while I am on my annual retreat this week. Be assured of my daily prayers for you.
God bless, Fr. Bedel

Knights of Columbus Council 3724

Coats for Kids Participation

Fairborn Council 3724 recently completed the Coats for Kids Faith in Action Community Activity. Council 3724 donated two dozen coats to several organizations that demonstrated a need, including our local church. Mary Help of Christians Parish School of Religion has close to 50 children in the program and addresses religious education from early childhood, through elementary school, and includes high school. There are many needy families within our own church family and a number of coats were distributed to these families. Council 3724 also identified a new charity this year, the Family Violence Prevention Center of Greene County. This organization works to reduce family and relationship violence in Greene County through prevention, intervention, safe housing, and community programs. Many of the children entering the safe housing show up with only the clothes on their back. The council's donation went directly to some of these children. Finally, the remaining coats were donated to an organization with which Council 3724 is very active, namely the Family & Youth Initiatives (FYI) program. This organization provides real life healthy choice education within local schools, provides new roots mentoring by caring adults to area youths, has a community garden from which they donate to local food pantries, and runs a parenting network to assist families experiencing unplanned pregnancies and seeking assistance as a new parent. The Coats for Kids program also addressed children involved in these programs. Council 3724 derives significant good will recognition for the Knights of Columbus from the local community with the Coats for Kids program. It is extremely gratifying for our members to be able to contribute to the most innocent and vulnerable among us. A picture from the presentation ceremony at FYI is shown below.

MEMBERSHIP DIRECTOR'S CORNER

Tony Downing and Christopher Kerley are the newest Knights to be elected as full brothers in our Council. Plus, our former District Deputy, Riley Mason, has transferred his membership to Council 3724! Please welcome them and make them feel at home in their new fraternity! We are edging toward our membership goal of 13 this fraternal year. We now have six who have completed their first through third degree exemplifications. We also have four new brothers, Mike Asebrook, Dave Wiley, Brian Kelsey, and Ricardo Diaz, who have turned in their applications to join but have yet to complete their exemplification. Please pray for them and talk with them if you have the opportunity. Determine what their needs are and if they are having any concerns about becoming full members.

A Couple Things I'd Like You to Consider.

As of this writing, all the new members recruited this fraternal year were signed up by members of our membership committee. That's great; however, that means only a small fraction of our Council is actively looking for new recruits! From here on, I want everyone involved! Consider yourselves to be duly sworn into the membership committee! If each brother would make it his goal to recruit just one new member, we would far surpass our growth target. I'm sure some of you have met Catholic men who are interested in becoming a Knight but are not members of our parish. A good example of this are Wright State University students. This should not be an obstacle! Go ahead and sign them up as members of Council 3724. If they wish to attend another Council anywhere else, they can transfer at a later date. We will still get credit toward our new membership goal.

Don't forget to add Join Us | Knights of Columbus (kofc.org) as an app to your cell phone. It's a lot easier to sign someone up and get information to him immediately. Remember, all online member applications with the Promo Code RHERNANDEZ (the code from our K of C Insurance Representative) will receive twelve months of online membership free. You can also use the promo code BLESSEDMCGIVNEY.

Name Tags

If you need a Council 3724 and/or Fourth Degree name tag, see me, Mark Dues, or Brother Herb Edwards at the next business meeting. Cost per tag is \$5.00.

This Month's Personal Goal

Try to meet a new parishioner and make him feel welcome. Ask him if anyone has invited him to become a Knight.

Home Corporation

Your Home Corp continues to work hard to support the Council. Repairs or tasks that might require the home corps attention can be written down for action on the clipboard in the office. The next work party is scheduled for February 25, 2023 at 9AM.

Men's Retreat

Unfortunately, we are cancelling the Men's Retreat for this fraternal year. Hopefully, we can bring back this great event at some future time. We encourage all brothers and families to attend the Family of Parishes Mission (March 19, 20 and 21st).
